

HyperOx™

MULTI-PURPOSE CLEANER/DEGREASER

PRODUCT DESCRIPTION:

Earth-Gard™ HyperOx™ is an all purpose cleaner/degreaser formulated with biodegradable surfactants and hydrogen peroxide. This extremely versatile product can be used at four different dilution ratios to provide highly effective and reduced toxicity cleaning across a wide range of facility cleaning needs including glass, floors, spray & wipe cleaning, general degreasing, bathroom & shower room cleaning, tile & grout cleaning and restoration, carpet spotting and extraction, stainless steel cleaning and odor elimination.

FEATURES:

One Product Cleaning System:

All water washable surfaces as well as carpet can be effectively cleaned with HyperOx™ reducing the need to stock multiple products.

Safe:

HyperOx™ provides very effective & safe cleaning without the toxicity and environmental concerns of traditional cleaner/degreasers.

Powerful:

The combination of hydrogen peroxide and biodegradable surfactants provides super effective cleaning capabilities.

Cost Effective:

As a one product cleaning system, HyperOx™ replaces inventories of traditional specialty cleaners and costs associated with stocking those products. One product does it all!
